WELCOME AND THANK YOU FOR VISITING OUR WEBSITE!

Partnership Team would like to offer you access to a wide range of bespoke services and information that we provide related to the successful use of the AQA Unit Award Scheme.

Partnership Team Website

Our website will allow you unlimited access to all the information supplied for the use of the AQA Unit Award Scheme.

The database of over 4000 Lancashire-produced AQA units is currently updated on a monthly basis so access to newly created units is immediate.

Other information available includes new administration forms, new procedures, assistance with the allocation of Levels and Notional Learning Time and all other services offered by Partnership Team Ltd.

Partnership Team CD-Rom

All information available on the Partnership Team website is also available on a CD-Rom. The CD-Rom is currently updated on an annual basis.

Vocational Skills

Units to accredit vocational skills in Food Preparation, Hair Care, Beauty, Child Care, Car Maintenance, Electronics, Building, Carpentry & Joinery and Textiles have customised checklists available.

BESPOKE SERVICES

Partnership Team Ltd offer a full bespoke service at a very competitive price. The service includes full AQA student registration, assessment and certification. Administrative support is also included. In addition to this, Partnership Team Ltd also offer a comprehensive checklist/worksheet creation service.

For more details on these services and the costings please contact Partnership Team Ltd.
